

Hounsome Fields Primary School Easter Newsletter

School update from Mr Carter

As we end our second term at Hounsome Fields Primary School, the team at Hounsome Fields are immensely proud of the progress the children have made. It has been the highlight of the term to see the children's reading and writing progress and their confidence is continuing to grow.

Another highlight of this term has been the introduction of our class assemblies held on Monday and Friday mornings. On Mondays we have been learning about our "HEART" school values (Honesty, Empathy, Achievement, Respect and Teamwork) and we hold a celebration assembly on a Friday where Headteacher Awards are given to pupils to celebrate their success.

This half term we have hosted the first of our Community Coffee Mornings, we are excited to welcome more of you to these. Our aim is to host people within our local community that can come to share news / updates or take questions from our community. Using our school as hub to allow us to connect with our community.

I want to thank you again for attending our Family Evenings and we enjoyed having you in school to celebrate the progress your children are making. We appreciate your feedback and will continue our work to ensure the school continues to improve week by week.

We hope you have an enjoyable and restful Easter break. We are excited for the Summer term ahead to make more memories and give you and the children more wonderful experiences in our school.

Thank you all,

Mr Carter

Hedgehogs update from Miss Lucas

1 - Daisy, Pancake, Babycakes, Cindy and Ariel.

Hedgehogs have had a fantastic half term! We have been learning about different fairytales. The children have enjoyed designing and building houses for the three little pigs and loved testing their strength using a fan, planting beans for Jack and the Beanstalk and we created food baskets for Little Red Riding Hood as well as celebrating lots of different holidays and festivals such as Ramadan, Eid, St Patrick's Day, Red Nose Day and Easter. We've had lots of fun learning about differences around the world and making crafts to represent each holiday. The children have worked really hard on their counting skills and we have been developing our subtracting skills when using a 10s frame. In PE we have been working on team games, we have worked together to overcome winning and losing and celebrating each others achievements.

Our topic next half term is under the sea.

Have a fantastic Easter break!

Welcome to Miss Read!

At the beginning of March we welcomed Miss Read to the Hounsme Fields team. Miss Read comes to us from Winklebury School in Basingstoke and previous to that she was the Assistant Manager of Shooting Stars Nursery.

Miss Read is Mum to football crazy 9-year-old, Eliza, who plays football for her team 5 evenings a week!

Welcome to the team Miss Read!

Exciting Outdoor Renovations

We are very excited to inform you that at the end of April, works will start on our new Year R all weather playground. There will be a variety of play activities including a Mud Kitchen, Water Area, Sandpit, Climbing Frame, Play Road, Stage. In addition to this, we are also having a Forestry Climbing Circuit installed next to our field.

In partnership with Dummer Parish Council, we had a bid accepted to fund these works to provide an excellent upgrade to our outdoor spaces for the future.
